Hey Michael,

For an emergency use driveway what we typically allow is a grassed driveway that has geotextile underneath to support the weight of an emergency vehicle. The access will also need to be signed/gated to prevent unwanted use.

Here is a link to another development up in Dawson County that has the kind of same thing.

Hello Mr. Hash

Please find attached a drawing of the driveway cut needed for my property. This entrance will only be used by Hall county emergency services. This driveway cut will be gated to prevent it from being used as a exit or entrance to the public.

Have a great day,

Michael Miles

Human trafficking impacts every corner of the globe, including our state and local communities. Georgia DOT is committed to end human trafficking in Georgia through education enabling its employees and the public to recognize the signs of human trafficking and how to react in order to help make a change. To learn more about the warning signs of human trafficking, visit <https://doas.ga.gov/human-resources-administration/human-trafficking-awareness/trafficking-in-georgia>. To report any suspicious activity, call the Georgia Human Trafficking Hotline at 866-363-4842. Let's band together to end human trafficking in Georgia.
